

MEMORANDUM OF UNDERSTANDING

Between:

the European Association of Nuclear Medicine (EANM)

and

the Asociación Latinoamericana de Sociedades de Biología y Medicina Nuclear (ALASBIMN)

This Memorandum of Understanding (“MOU”) is effective as of January 1, 2024 by and between the EUROPEAN ASSOCIATION OF NUCLEAR MEDICINE (“EANM”) and the ASOCIACIÓN LATINOAMERICANA DE SOCIEDADES DE BIOLOGÍA Y MEDICINA NUCLEAR (“ALASBIMN”). The parties hereby agree to the following;

Article 1: Purpose and Scope

- To exchange the information of each society’s topics
- To expand partnership between the two societies

Article 2: Areas of Collaboration

The areas of collaboration between the EANM and the ALASBIMN could include, but are not limited to, the following initiatives:

- Mutual exchange of educational activities, leading towards continuing medical education of nuclear medicine professionals in both areas
- Joint activities towards the promotion of Nuclear Medicine, also in collaboration with other scientific Societies, in Latin America and in Europe
- Offer free booth space and up to 2 complementary exhibitor registrations to the congress visiting society
- Grant up to 3 free congress participations for members of the respective other Board

Article 3: Timing

- Leadership meetings shall be held at least once a year at an international Nuclear Medicine congress.

Article 4: Future Cooperation

- The present MOU will be valid for 3 years
- After 3 years, this MOU can be revised by both societies.

The present MOU explains the general conditions and arrangements for the future cooperation between the concerned parties. It is not legally binding on the parties. The exact terms and conditions of this future cooperation will be negotiated.
